

Nicholas Malzacher

ASPIRING WEB DEVELOPER

About Me !

I am an energetic web development student with excellent awareness of web design industry trends and issues regarding user experience and accessibility. I am currently looking for a position in Web Development with an exciting company who is looking forward to give opportunity to current student to further develop their web development skills.

Academic Qualifications

RMIT University Bachelor of Information Technology, set to graduate in Semester 1 2023. **2018 – Now**

Udemy Full Stack Development Course (30% Complete) **2022 – Now**
I am currently enrolled in a Udemy course that teaches the ins and outs of full stack development and have learnt a great deal regarding HTML, CSS, and JavaScript as of current.

Wesley College Melbourne Campus (VCE) **2008 – 2018**
In 2018 I successfully completed year 12 certificate, my subjects included English, Biology, Geography, Further Mathematics & Business Management.

Web developer skills acquired whilst Studying

- Comprehensive knowledge of HTML5 CSS3, JavaScript and PHP
- Creating websites that are user-friendly, effective and appealing
- Creating quality web pages using industry best practice.
- Developing cross-browser and cross-platform compatible websites.
- Used JavaScript, PHP, MySQL and Databases to create a meditation website, which is both responsive on mobile and desktop through using bootstrap (<https://titan.csit.rmit.edu.au/~s3785693/wp/a2/>).

Experience

KNOWLEDGE OF

- HTML5
- CSS3
- Figma
- Basic PHP
